- NOTICE -

Dear Ms. Sabey,

The Bureau of Land Management Fillmore Field Office sent you a notice expired reclamation required decision letter in regards to your notice level operation located at T. 11 S., R. 17 W., SLM, sec 17, and serialized as UTU-079465 (enclosed). The return receipt for this letter was returned to this office and confirms that it was delivered on April 30th, 2007.

As stated in the previous decision letter you had 30 days from the receipt of that decision to contact the Fillmore Field Office in order to pursue operations within the project area. The decision letter also states that if you do not contact this office during the 30 day period reclamation must begin on the 31st day, and be completed at the earliest feasible time, unless you contact this office and gain approval to postpone commencement.

The 30 day period began on April 30th, 2007 and ended on May 30th, 2007. As of the date of this notice you have failed to contact this office in regards to pursuing operations within the project area or to gain approval to postpone commencement of reclamation operations. Compliance inspections completed on May 30th, 2007 and September 20, 2007, by Fillmore Field Office Staff, revealed that there has been no reclamation at this site.

As a courtesy this notice is being sent to you with the decision letter enclosed. You have 30 days from the confirmed receipt of this letter to contact this office in regards to UTU-079465. If you fail to contact this office during this 30 day period the Fillmore Field Office will pursue forfeiture and reclamation under 3809.424 (a)(4) and 3809.595 – 3809.599.
